

2019-2020 GALAXY SOCCER CLUB PLAYER COMMITMENT AGREEMENT

Please read the following information and sign the last page to acknowledge that you have read and understand this agreement and agree to all of its terms.

REGISTRATION

Your player will not be officially registered with Galaxy Soccer Club or added to the team roster until you have completed the GotSoccer registration using the link provided to you by the registrar. Registration must be completed within 48 hours of receiving your offer to reserve your player's slot on the team.

COMMITMENT FEE

As part of the registration process, you must pay a \$250 commitment fee, which will be used by the club to purchase your player's uniform kit. If you do not want to pay the commitment fee online via GotSoccer, you may select the option to pay by check/money order and then submit your payment (cash, check, money order, or debit/credit card) with this Commitment Agreement. **NOTE: Your player will not be officially registered with Galaxy Soccer Club or added to a team roster until this commitment fee has been received. This fee is non-refundable.**

BIRTH CERTIFICATE/PASSPORT

After your player has been officially registered, you will be contacted by the club to submit a copy of a birth certificate or passport to verify your player's name and date of birth. If you have already submitted this document, there will be a "V" beside the date of birth in your player's GotSoccer account, indicating that his/her birthdate has been verified and a copy is not required.

PLAYER PHOTO

After your player has been officially registered, you may be contacted by the club to provide a recent, close-up photo of your player's head and face, which will be used by the league to create your player's player card. If you already have a recent photo of your player uploaded to his/her GotSoccer account, a new photo will likely not be required.

The required Select uniform kit consists of 2 game-day jerseys (home and away), 2 pair of game-day socks (home and away), 1 pair of game-day shorts, 1 training kit (jersey, shorts, and socks), 1 backpack, and 1 winter jacket. Players intending to play goalie for their team may also purchase the optional goalie kit (long-sleeve jersey with matching shorts and socks). Each player's required Select uniform kit will be purchased from Soccer.com by the club using the money collected from the player's commitment fee. Additional uniform items as well as spirit wear will be available for purchase at the Soccer.com online store.

VOLUNTEERING

Galaxy Soccer Club's mission is not to be a profit-making business that pits customers against owners. Instead, our mission is to be a community-centered organization where everyone is engaged in creating the best environment for our kids to learn and grow as both soccer players and model citizens. In practical terms, this means that parents need to volunteer to help run the club; players should sign up to be referees; and everybody needs to help with fundraisers and sponsorships to pay for scholarships and tournaments, which in turn will allow us to keep our club fees low. Some volunteer positions, like team manager, may be eligible for a club discount of \$250.

PLAYER EXPECTATIONS

Every player is expected to be receptive to learning, which includes listening to coaches; training/playing to the best of their ability; and arriving for training 15 minutes earlier than the posted time, and at least 45 minutes prior to the beginning of any scheduled game. Each player will wear the appropriate gear to training and games, including training/game kit, shin guards, and soccer cleats. Failure to abide by these expectations could result in disciplinary measures and/or reduced game time.

Each player should make every effort to attend **AT LEAST** one training session per week, but preferably more, depending on their age and level of play. The older the player and the higher their level of play, the more training sessions each week they should be attending. Always keep your team manager informed when you cannot make a training session or game and/or if you need help with carpooling to get to and/or from practice or games. Failure to attend training on a regular basis could result in disciplinary measures and/or reduced game time.

PARENT EXPECTATIONS

Every parent/legal guardian of players enrolled in Galaxy Soccer Club are expected to be supportive of not only their own player but also the other players of the club, coaches, staff members, volunteers, and other parents. Each parent will refrain from interacting with their player during training and games and from interfering with training sessions unless specifically requested by a coach to assist. Parents will also refrain from negatively interacting with referees as well as players, parents, or coaches of opposing teams.

Parents should help their player meet the player expectations outlined above and should contact the team manager in the event of any conflict or concerns so that the club has an opportunity to attempt to resolve the issue.

PHOTO USAGE PERMISSION

Galaxy Soccer Club staff and/or volunteers may take photographs and/or videos during training sessions, games, or other events, which may be used publically to promote the club, including in print or online publications, presentations, web sites, and/or social media. No royalty, fee, or other compensation shall be payable to any player or club member as a result of this usage.
